DRIVING DIRECTIONS FROM DURANGO TO DUNTON

- Take US 160 West for 27 miles to Mancos, CO.
- In Mancos, turn right at the stop light (there is only one stoplight on this road), onto CO 184 West for approximately 18 miles to Dolores, CO.
- In Dolores, turn right onto CO 145 North N/Railroad Avenue for 14 miles.
- Look for the “Dunton” sign, which is followed closely by the “West Dolores Road” sign. Get in the left turn lane to turn left onto CO Road 38. (If you see the sign for Stoner, you have passed the turnoff, please turn around and go back about a mile, look for the Dunton sign and turn right)
- On West Dolores Road watch for the mileage sign indicating “Dunton 22 Miles”. The first 13 miles are paved, and the last 8.5 miles are unpaved.
- Watch for a grouping of cabins on the right and our sign on the gate. Follow directions at the gate and Welcome to Dunton Hot Springs!

Please watch for Elk, Deer, and other wildlife on the road. Have a safe trip!
